

warranty

KLOTZ TITANIUM cable

KLOTZ AIS GmbH gives a **lifetime** warranty on the Titanium Cable subject to conditions as follows.

The warranty applies solely for the first purchaser (retail customer) and is not transferable.

To activate warranty rights, the first purchaser

- must register the product by email to **titanium@klotz-ais.com**
- within ten days of the purchase date,
- stating his/her name, address, retailer and purchase date.

Please retain your receipt, which must be produced as proof of purchase in warranty claims.

Warranty claims must be made to the retailer.

Product defects which occur within the warranty period will, at the discretion of KLOTZ AIS GmbH, be repaired free of charge by KLOTZ AIS or replaced with an identical or technically similar cable by an authorized KLOTZ retailer, preferably the retailer where the cable was purchased. Warranty claims must be accompanied by the defective product, the purchase receipt and confirmation of reservation by KLOTZ AIS GmbH.

Any modification or manipulation of the product other than those performed by KLOTZ AIS GmbH will void this warranty.

The purchaser is not entitled to make any claims for compensation, particularly those arising from consequential damage such as material damage resulting from product failure, loss of income, compensation or damages for loss of use of the product owing to defects or non-availability owing to repairs.

Statutory warranty terms remain unaffected.
