

Regulation (EC) No. 1907/2006 (REACH Regulation), Duty to communicate information in accordance with Art. 33

Dear Customers and Business Partners,

The website of the European Chemicals Agency ECHA has posted a list of substances of very high concern which fulfil the criteria of Art. 57 of the above-named REACH Regulation as identified by the procedures described in Art. 59 of the Regulation (http://echa.europa.eu/chem_data/candidate_list_table_en.asp)

We fulfil the requirements imposed by the REACH Regulation. KLOTZ AIS GmbH is not a manufacturer or importer of chemical substances or preparations subject to mandatory registration, but is a downstream user as defined by the Regulation.

As a downstream user, we conduct all necessary communication with our suppliers to ensure further continued supply of all the chemicals we require.

With respect to the duty to communicate information under Article 33, REACH, please note the following:

According to the current state of knowledge, the products supplied to you are free from any substances included in the Candidate List of substances which make up more than 0.1% by mass (Candidate List as at 17 December 2015).

We will be happy to answer any questions you may have.

KLOTZ AIS GmbH
